DETAILED ACTION

Allowable Subject Matter

Claims 21-25 are allowed.

The following is an examiner's statement of reasons for allowance:

The reference of record fails to teach or suggest, either singularly or in combination at least the limitation of a spherical polymer interconnection connecting an integrated circuit device and a device carrier and micelle brushes on the outer surface of the polymer, wherein a first end of the micelle brushes has an affinity for the polymer and a second end of the micelle brushes has an affinity for metal surfaces.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Junghwa M. Im whose telephone number is (571) 272-1655. The examiner can normally be reached on MON.-FRI. 8:30AM-5:00PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Eddie C. Lee can be reached on (571) 272-1732. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
